

MEET YOUR E-COMMERCE SPECIALIST

RACHEL QUICK

Phone: 630-538-1239 | **Email:** Rachel.Quick@altorfer.com

Did you know Altorfer provides a full line of digital resources and a team to help you implement them? Your e-commerce specialist, Rachel Quick's expertise is ready to assist your jobsite run more efficiently with applications to: perform inspections, purchase parts, and monitor your fleet's health.

Rachel has worked at Altorfer for the last five years. Before joining the e-commerce team, she worked in the S•O•S fluid analysis lab processing samples to provide customers an in-depth look at their machine's health.

"Rachel's experience with our dealership allows her to understand the importance of each piece of equipment," said Digital and E-Commerce Manager Oscar Capó. "She strives to provide the best service possible for each customer."

Rachel lives in Lombard, IL and in her free time she roots on her Dallas Cowboys, Ohio State Buckeyes, and St. Louis Cardinals. She also enjoys playing multiplayer online games and watching professional ice skating.
